Dear Mr. Kachur:

Report of the Campaign Expenses And Contributions Officer -
2002 Civic Election Audited Financial Statements

In accordance with By-law No. 6630/95, passed by Council on April 19, 1995, I undertook the duties and obligations of Campaign Expenses and Contributions Officer for the 2002 Winnipeg Civic Election.

In this regard, I am pleased to submit herewith my report on the filing of audited financial statements by registered candidates for the Mayoralty and Councillor races in the 2002 Civic Election, in accordance with Section 4(3) of the Campaign Expenses and Contributions By-law No. 5550/90.

The report identifies the 55 registered candidates who, in accordance with the by-law, were required to submit audited financial statements. Of the 55 candidates, 11 individuals did not file their statements by the required deadline. These 11 individuals are therefore not eligible to run as candidates until after the next general civic election in 2006.

I have also included in this report, recommendations for amendments to the Campaign Expenses and Contributions By-law for future consideration. It is my understanding that copies of this report, and access to candidates' individual statements, will be provided upon request.

I would like to take this opportunity to acknowledge and thank you and your staff for your ongoing assistance during the 2002 Civic Election.

REPORT OF THE CAMPAIGN EXPENSES AND CONTRIBUTIONS OFFICER 2002 CIVIC ELECTION AUDITED FINANCIAL STATEMENTS

BACKGROUND

Subsection 96(1) of *The City of Winnipeg Act* required Council to designate, by by-law, a person to assist registered candidates to comply with by-law and statutory provisions relating to campaign expenses and contributions, to examine audited statements filed by registered candidates, and to report to Council on certain matters including any apparent failure of a registered candidate to comply with provisions relating to campaign expenses and contributions. The Campaign Expenses and Contributions By-law No. 5550/90 established the position and duties of a Campaign Expenses and Contributions Officer (Appendix C).

On April 19, 1995, Council adopted Clause 4 of the Report of the Executive Policy Committee dated April 12, 1995, recommending the appointment of Mr. W. (Bill) Treytiak, C.G.A., as the Campaign Expenses and Contributions Officer, and passed By-law No. 6630/95, in this regard.

In accordance with By-law No. 5550/90, the campaign period for the Office of Mayor commenced on May 1, 2002, while the campaign period for the Office of Councillor commenced on June 25, 2002. The campaign period for both the Office of Mayor and Councillor ended on March 31, 2003. Each candidate was required to file an audited statement not later than May 31, 2003. Candidates who registered and subsequently withdrew their registration, or who did not file nomination papers, were required to file an audited statement no later than December 23, 2002.

The Campaign Expenses and Contributions Officer has examined all audited financial statements that were submitted. In addition to this report, the audited financial statements have been forwarded to the Returning Officer and are available for public inspection in the City Clerk's Department.

** Not eligible to run as a candidate until after the next general Civic Election*

Extracts from *The City of Winnipeg Act* provided for:

Election of Council

89 The election of members shall be held on the fourth Wednesday of October in 1998, and on that day and month, in each fourth year after that.

Failure to file by other Candidates

100(3) A person who, as a registered candidate in an election, is not nominated as a candidate in the election or is nominated and is defeated or withdraws and fails to comply with Subsection 96(2.1)(Time for Filing Audited Statement) is not eligible to be nominated as a candidate in an election until after the next election described in Section 89 (Election of Council)

In accordance with the legislation, of the 43 candidates who registered in the Councillor race, five persons will not be eligible to run as a candidate until after the next general Civic Election in 2006.

Recommended Amendments to the Campaign Expenses and Contributions By-law

I am submitting the following recommendations for the consideration of Council. I have verified these recommendations through my own observations as well as from suggestions which came to my attention from candidates and participants in the election process. These recommendations are intended for the consideration of City Council and if approved, should be implemented for the 2006 Civic Election.

Deposit / Fee

Serious consideration should be given to the requirement of a cash deposit or a fee upon registration by each candidate. There were a number of candidates who registered but did not file the required audited statement. Half of the Mayoralty registrants did not meet the legislative requirements of filing audited statements. Over 10 percent of the Councillor registrants did not meet the legislative requirements of filing audited statements. During the last three civic elections, the penalty of not being able to run in the next Civic Election did not ensure that registered persons adhered to the legislative provision of submitting the required audited statement.

It is therefore my recommendation that a fee or deposit be imposed upon candidates in order to register as a candidate for the election. I would recommend that the fee or deposit for Mayoralty candidates be set at $1,000.00, and the amount for Councillor candidates be set at $500.00. These amounts would underscore the serious nature of the democratic process. If a deposit is used rather than a fee, this amount could be refunded, but only if the individual meets all of the legislative provisions, including the filing of the audited statement.

Automatic Fine

In addition to the aforementioned deposit or fee, I strongly recommend that an automatic fine of $250.00 be levied on individuals who fail to file an audited statement, in accordance with the legislative provisions. This fine would be in addition to the loss of the deposit. Notably, the prevailing legislation provides for a penalty upon prosecution, not exceeding $5,000.00.

Registration Form

Through the examination of registration papers, it was determined that in one case, the person named as auditor fell far short of the qualifications required of an auditor.

The registration form should therefore indicate the name of the professional association or institute of which the Auditor is a member.

Inventory

This recommendation is repeated from the last election of 1998. The method of reporting should be changed from an accrual basis to a "cash-basis" statement. Reporting on a cash-basis would alleviate the problem of prepaid expenses and campaign sign inventory.

Revisions to Schedules

Recommendations for revisions to schedules comprising Form 4 of By-law No. 5550/90 are as follows:

a) Schedule 4 - List of Expenses Paid and Outstanding (page 13 of 17)

Inasmuch as expenses are itemized on the Statement of Income and Expenses (Page 3 of 17), this schedule could be eliminated. However, if the intent is to provide details of the Accounts Payable, then a schedule specifically for Payables would be more useful.

b) Schedules 6 and 7 - Inventory of Campaign Materials and Prepaid Expenses

If the aforementioned recommendation of changing to a cash basis is implemented, then Schedules 6 and 7 would not be required.

Auditor's Report Form

This form should have the date of election pre-printed. (e.g. October 28, 2002). Also, the name "Chartered Accountant" should be removed because other professional auditors are also used.

Verification of Signed Declarations

Because of difficulties encountered in trying to schedule a suitable appointment time to meet with both the candidate and the official agent, consideration should be given to having the signed declarations of both parties verified by the Auditor, in lieu of having the Campaign Expenses and Contributions Officer witness the signatures. The signed, audited statement could then be filed with the Campaign Expenses and Contributions Officer by either the candidate or the auditor.

Revision to Campaign Expenses Limitation

Upon review of the various expenses in relation to the funds raised, there seems to be quite a large variance, ranging from 0% to 58%. In addition, in the last election as well as this one, there were situations where the overall expenses exceeded the total limitation, due mainly to the exclusion of fund raising expenses. Exclusion of these fund raising expenses from the total limitation contravenes the spirit of the total campaign expenses limitation. In essence, there is no control over the amount of expenses for fund raising.

The following items should therefore be removed from this exclusion: "Opening and Closing inventory" and "Expense in holding a Fund-Raising Function".

I would therefore recommend that the Total Expenses Limitation for Mayor and Councillor include "Fund Raising Expenses".

AUDITOR'S REPORT
REFERENCE: SECTION 14

Name of Candidate _____

Official Agent _____

Office for which candidate sought election _____

Ward Name _____

I/we have examined the statements of assets and liabilities and income and expenses of _____, candidate, for the campaign period ending _____ 20 _____ relating to the election held _____ 20 _____. These financial statements are the responsibility of the registered candidate and official agent. My/our responsibility is to express an opinion on these financial statements based on my/our audit.

My/our examination was made in accordance with generally accepted auditing standards. Those standards require that I/we plan and perform an audit to obtain responsible assurance whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes such test and other procedures as I/we consider necessary in the circumstances except as explained in the following paragraph.

Due to the nature of the types of transactions inherent in an election campaign, it is impracticable through auditing procedures to determine that the accounting records include all donations of goods and services, receipts and disbursements for the campaign period. Accordingly, my/our verification of these transactions was limited to ensuring that the financial statements reflect the amounts recorded in the accounting records of the candidate, in accordance with established accounting procedures and I/we was/were not able to determine whether any adjustments might be necessary to receipts and disbursements.

In my/our opinion, except for the effect of adjustments, if any, which I/we might have determined to be necessary had I/we been able to satisfy myself/ourselves as to the completeness of the records as described in the preceding paragraph, these statements present fairly the information contained in the accounting records on which the statements are based in accordance with prescribed accounting treatment.
